Dear Parents,

Due to state regulations, we need to obtain parental permission for each child to have their picture taken, as well as to take walks around the center. Please fill-out the permission slips below making sure to circle your choice and return them to the tuition mailbox located in the reception area. Siblings must have separate permission slips.

Thank you,

Gabrielle Flowers

Step by Step Children's Learning Center Inc.,

- **Does/Does not** have permission to take photograph's of my child
